I'm Back – Earvin

I experienced a terrible illness called stenosis in which the last vertebra was closing the opening at the bottom of the spinal column, plus bowel blockage and a bladder that would not empty. I spent 20 days in the hospital. That left my legs very weak. I am taking rehab, still very weak, and not getting out. Hope to see you soon.

Let's Take a Look-Nine Years

See below a 9-year comparison of pancake sales, expenses, and profits

A Great Committee

It was eight years ago that I asked eight fine Kiwanians to join me on the Kiwanis Talent and Art Festival to put on a brand new project. This year, 8 years later, this project, the Kiwanis Art Show made the front page of the Ruston Daily Leader.

These fine Kiwanis Committee members were Ed Shell, Ben Haley, Jim Calloway, Bob Bryant, Richard Raue, Jackson Thigpen, Dwight Anderson, and Ray Dudley

Some Attend Regional

Some of our members recently attended the Kiwanis Mid-Winter Regional Conference in Monroe. They learned we are the 2nd largest club in members, and that we are the 2nd largest contributor to the Eliminate Project.

A Close Look – ART SHOW

- * It hurt when we lost Bill Willoughby.
- * We needed help to hang & judge the art.
- * Tracy casually mentioned it to North Louisiana Arts Council (NCLAC).
- * NCLAC was delighted to help.
- * We had the money for the project.
- * They had the expertise.
- * A good marriage—Hope to keep it.
- * We give good money prize to students
- * There were 74 total art entries.
- * The Art Show was a real success.
- * Any problems: few students showed up for the awards ceremony. Communication and other after school activities may be to blame.
